M3 Series  
Page 56

### Commercial HVAC

M1 Series  
Page 54

L1 Series  
Page 60-62

## Meteorology

### MP100H / MP400H

Page 75

Linear voltage or current signal for transmission over long distances.

### MP101A / MP400A

Page 76

Low power consumption, no warm-up time. Linear voltage outputs.

Weather / Radiation  
Shields

### HygroClip S3 w/ MOK3 Cable

Page 77

Economically priced sensor module for humidity and temperature designated for OEM meteorology applications.

## OEM Products

H290D Humidity  
Transmitter

CS10 / CS30  
%RH Sensors

HygroClip S / HygroClip S3  
Temperature & Humidity  
Probes
